This application is in condition for allowance except for the presence of claims 1-5 and 13-20 to species non-elected without traverse. Accordingly, claims 1-5 and 13-20 have been cancelled.

ABSTRACT

An encasement system for a display article comprising a transparent top section, a bottom section, a side section disposed directly adjacent the transparent top section and bottom section, the side section having an extending arm, the extending arm having a top segment and a bottom segment and a channel defined there between, whereby a cavity is defined between the transparent top section, bottom section and side section for receiving the display article and whereby the channel is in communication with the cavity, an inert gas injected into the cavity through the channel; and a [means] sealant for attaching the transparent top section to the side section and to the bottom section such that the inert gas is sealed inside the cavity between the transparent top section and bottom section and adjacent the side section..

Art Unit: 3611

3. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest an encasement system comprising the combination of a transparent top section, a bottom section, and a side section adjacent the top and bottom sections to define a sealed cavity, wherein the side section has an extension arm having a top and bottom segment and a channel defined between the segments such that the channel is in communication with the cavity and wherein an inert gas sealed within the cavity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cassandra Davis whose telephone number is 571-272-6642. The examiner can normally be reached on Monday-Friday 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lesley Morris can be reached on 571-272-6651. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
